

Marcelle Alves

Full-Stack Developer

A professional in career transition, leveraging a strong background in communication and creativity with the logic of software development. With experience as a translator and teacher, I am focused on mastering Full-Stack development to build digital solutions that are both functional and visually compelling. My versatility allows me to bridge the gap between design and technology.

Experience

Aug 2023 - Feb 2025 Brazil

English Teacher
Yázigi

Designed and led engaging English classes, tailoring lessons to meet the specific needs of students at various levels. My approach emphasized real-world applications, and I consistently refined my skills and knowledge through professional training.

Nov 2019 - Jan 2022 Brazil

Translator / Copyeditor
AltaBooks Editora

Translated and edited diverse projects from English to Portuguese, collaborating with a team to ensure fidelity, standardization, and a high-quality final product for publication.

Aug 2018 - Present Brazil

English Teacher
Freelancer

As a freelance English instructor, I am responsible for the end-to-end management of my teaching practice. This includes designing and delivering modern, customized curricula for a diverse range of students. My responsibilities also encompass client acquisition, scheduling, and the continuous development of instructional materials to ensure effective and relevant learning outcomes.
